		URGENT PROCESSING A same day urgent biopsy processing and interpretation service is available for limited numbers of specimens (generally biopsy material). It must be approved for any particular specimen by both a Consultant who clinically attends the patient and a Consultant Histopathologist. An approved specimen must reach the laboratory by 13:30 to qualify for "Urgent Processing". ** FROZEN SECTIONS To discuss specimen requirements and to ensure availability of staff, requests should be arranged in advance by contacting the Liver Histopathology Service +44 (0)20 3299 2237 for hepato-biliary-pancreatic surgical specimens and for transplant donor assessment by contacting the duty Transplant Co-ordinator (Air call). For assessment of donor organs, this service is available outside normal working hours through the Transplant Co-ordinator.
